REFLECTION

Short Catechism for Children, Parents and Everyone. We explore The Sacraments: *The Sacrament of Penance (continued): Sins and Errors:* A sin may not be dismissed as “just a mistake.” Mistakes and sins are 2 different things. A mistake is not a sin at all but a misunderstanding, getting a sum wrong, for example, or unintentionally forgetting someone’s birthday. We humans, however, are not only capable of mistakes, we are capable of evil. Jesus has not come to correct our mistakes, but to die for our sins and to give us forgiveness. *Is it already a sin if I would like to do something forbidden?* No. It is only a temptation. To resist a temptation is a great accomplishment. It makes heaven rejoice. And you can rejoice too. It is a temptation simply to take the football that is lying around. It is a temptation to want secretly to watch a forbidden video. It is a temptation when you would like to put the know-it-all down. If you do not do it, you win the battle against evil as Jesus did in the desert. A quote from Arnold H Glasow (1905-1998) American humourist: *“Temptation usually comes in through a door that has been deliberately left open.”* To end, a quote from Scripture: *“Be awake to all the dangers, stay firm in the faith; be brave and be strong”* (1Co 16:13). Tune in next week to explore more of the Sacrament of Confession.— **Brought to you by the Diocesan Pastoral Council**

THE HOOK OF FAITH

Check out the latest resources at www.thehookoffaith.com The homily for this Eighteenth Sunday of Ordinary Time comments on the Gospel that warns us away from attachments or addictions to things that pass away at the expense of our attachment to God and his gift of peace. Our interview this week is with Seamus Breen from Ferns - a young man of faith who has just begun his training to become a Garda. The video this week marks the Feast of St Dominic, founder of the Dominicans or the Order of Preachers. We continue a new feature that gathers seven best quotes from saints and great teachers of the faith throughout the centuries. Finally, we have an article by Ena Grey on the importance of recognising our Jewish roots.
